

COaaS FAQ

Frequently Asked Questions

Q: Do you manage cloud billing too?

A: No, you stay in control of your provider billing. We offer cost optimization strategies in Enterprise tier.

Q: Can we deploy to multiple regions?

A: Yes. Multi-region, multi-cloud, and failover configurations are available in Pro+.

Q: What if I don't want Terraform?

A: We can use Pulumi or basic scripts based on your preference.

Q: Will GrintOps access our cloud account?

A: Access is optional and always done with least privilege and via IAM roles.
