Responsible Disclosure Policy

Reporting Security Issues

If you discover a vulnerability in any GrintOps service, platform, or open-source integration, please:

1. Email: `support@grintops.com`
2. Do **not** publicly disclose until resolved
3. Provide detail: affected service, reproduction steps

Recognition

- Valid reports may receive public acknowledgment or bounty
- Severity and impact determine response priority

Our Commitment

- We take security reports seriously and aim to respond within 2 business days
